NLM/MBL Informatics Course
CONTINUING EDUCATION CREDIT

The National Institutes of Health/Foundation for Advanced Education in the Sciences is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The National Institutes of Health/Foundation for Advanced Education in the Sciences designates this education activity for a maximum of 3 hours in Category 1 credit towards the AMA physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

To obtain certification of attendance, please complete this form. You may submit it at the conclusion of the course or mail the form to: Cathy Norton, MBL/WHOI Library, 7 MBL Street, Woods Hole, MA 02543.

I have attended the following session of MBL/NLM Medical Informatics:

May 29, 2001 **3 hrs.** **3 hrs.**

Certificate of attendance should be mailed to:

Course Evaluation for IGM/PubMed Classes

Course Name: _____

Site: _____

City, State: _____

Date(s): _____

My medical specialty is: _____

Total hours attended: _____

Thank you for attending this course. Please respond to the following questions and statements:

Up to now, I primarily used the following for searching MEDLINE, etc.:

PubMed IGM Commercial Vendor: _____

Did not search much

After today, I expect to primarily use the following for searching MEDLINE, etc.:

PubMed IGM Commercial Vendor: _____

Will not search much

Course Objectives

At the end of the IGM/PubMed course, the attendee will have an understanding of the data content (MEDLINE, PREMEDLINE, and publisher-supplied records), be able to formulate a basic search strategy using PubMed's syntax and search rules in the Basic and advanced modes, be able to retrieve and review citations using PubMed's retrieval and various display formats and be familiar with PubMed's special features: "Related Articles" and "Journal Links to Full-text."

Please complete the Continuing Medical Education Questionnaire. To indicate your answers, use the rating scale that is shown by circling the number that represents your answer.

	Strongly Agree	Agree	Disagree	Strongly Disagree	Not Applicable
--	-----------------------	--------------	-----------------	--------------------------	-----------------------

Rating of Objectives

1.a. I acquired an understanding of the data content in IGM/PubMed.	4	3	2	1	n/a
1.b. I learned to formulate a basic search strategy using IGM/PubMed.	4	3	2	1	n/a
1.c. I became familiar with IGM/PubMed special features/functions.	4	3	2	1	n/a
1.d. I learned to print results.	4	3	2	1	n/a

Workbook

2. The workbook is a valuable aid to the course.	4	3	2	1	n/a
--	----------	----------	----------	----------	------------

The Instructor(s)

3. The instructors are proficient at conveying information.	4	3	2	1	n/a
4. The instructors are patient and open to questions.	4	3	2	1	n/a

Instructional Methods

5. The course is well-paced.	4	3	2	1	n/a
6. The exercises are good practice for searching.	4	3	2	1	n/a
7. The overall quality of the instructional process was an asset to the program.	4	3	2	1	n/a

Course Content

8. The information in this course is helpful in understanding how to search with PubMed and IGM.

4 3 2 1 n/a

9. Participation in this course will enhance my professional effectiveness.

4 3 2 1 n/a

10. The following were useful:

10.a. The abstract and program booklet

4 3 2 1 n/a

10.b. The discussion(s)

4 3 2 1 n/a

10.c. Audiovisual aids

4 3 2 1 n/a

11. I would recommend this course to someone who will be searching with PubMed or IGM.

4 3 2 1 n/a

Comments About this Course

What comments or suggestions do you have for the faculty presenter(s)?

What will you do differently as a result of attending this educational activity?

Are there topics you would like to have covered in this course or a related course?

Do you have any comments specific to PubMed and Internet Grateful Med?

Do you have additional comments to enhance the utility or impact of the course?

THANK YOU!
